

REPORT FROM TD – UPDATE/EDUCATION MARIBOR (SLO) 20 – 22.10.2011 (19 – 24.2011)

Thursday 20

Arrived around noon. Meeting in the afternoon 15.30 with Matjaz and his assistants. We discussed program – contents of the program. Also discussed practical parts since we had to change local after first day. I told them how we dealt with different issues at update on Iceland. Meeting took about two hours!

Friday 21

Program was supposed to start around 14.00 but due to traffic problems for some of the participants start was delayed one hour.

During first part national TD:s was present.

Discussions were very good. Impossible to keep times set up in program due to these discussions. Some issues had to be moved till Saturday.

Ended 19.30

Evening program was very good. Barbeque and Slovenian champion on accordion was playing.

Saturday 22

Start 08.30

Started examination 09.00. (see special documents with comments to examination)

Had just short moments to listen to discussions and the presentation of the rest of program

SUMMARY

Good update. Well prepared by Matjaz and his assistants. Active people and a lot of knowledge in the group.

Maybe we should have had some more time on Friday. Part of the issues had to be stressed a little.

On the whole an interesting update.

Material used worked well.
